

INDEX

A

	Sections
Absorption Unit Approval & Listing	1801, 1802
Absorption Unit Installation	1804
Absorption Units & Absorption Systems	Chapter XVIII
Accessibility	303
Administration of Codes	103
AGA Label and Approval, Principle No. 4	302
Air Conditioning	512
Air Conditioning Controls	1205
Air Movement	904
Alternate Materials	109
Amendments to Code	107
Appeals	106, 106.1, 106.2, 106.3, 106.4
Appliances-Gas Fuel	805
Appliances on Roof	304
Appliances-Solid Fuel	805

B

Blower & Exhaust-Hazardous Locations	701
Blower & Exhaust System	Chapter X
Boiler Code Excerpts	Appendix "C"
Boiler Controls	1203
Boiler Grounding-Principle No. 5	302
Boiler Installation-Principle No. 18	302
Boilers, Low Pressure Residential	501
Boiler Room Protection	1600
Building Code Council	104

C

Central Furnace Controls	1202
Chimneys, etc.	801
Chimneys, Fireplaces	Appendix "I"
Chimneys and Flues-Principle No. 17	302
Chimney Requirements (New & Old) Principle No. 18 (e)	302
Cleaning-Restaurant Equipment	912
Clearances	305
Clothes Dryers, Commercial-Installation	918
Clothes Dryers, Residential-Installation	917
Combustion Air	516.4
Comfort Cooling	Chapter XVII
Connectors-Chimney & Vent	806
Connectors-Clearance	810
Connectors-Length	808

Index

Connectors-Materials	807
Connectors-Location	811
Connectors-Installation	812
Connectors-Interconnection	813
Connectors-Size	809
Condensate Drains-Principle No. 19	302
Controls	Chapter XII
Control Circuits	1208
Cooling Towers, Location, Piping, Support, etc.	Chapter XXI
Cooking Equipment Controls	1206

D

Dampers	110.7 & 907
Dampers, Chimney-Vent	814
Definitions-General	201
Definitions-Glossary of Terms	202
Design Criteria-Principle No. 1	302
Down-flow System	508
Draft Hoods	815
Draft Regulators	816
Dryers	Chapter IX
Duct Systems	Chapter V
Duct Construction	602
Duct Classifications	602
Duct-Clean-outs	603
Duct Installation	604
Duct-High Velocity	604 (m)
Duct Plenum	605
Duct Hangers	608
Duct Design	613
Duct-Friction Loss Table	613
Duct-Circular Equivalent of Rectangular Ducts	613
Duct Joints	607
Duct Work-General-Principle No. 16	302
Ducts-Exhaust System	1005, 1006
Ducts (Flammable Vapors)	1011
Duct and Hood Recommendations	Appendix "D"
Duct Collecting System	1012

E

Electric Boiler Grounding-Principle No. 5	302
Electrical Equipment-Principle No. 7	302
Electrical Equipment-Restaurant	908
Electrical Heating Appliances	Appendix "B"
Electric Space Heating	Appendix "B"
Exhaust System	Chapter X

F

Fans-Exhaust Systems	1004
Final Inspection-Principle No. 21	302

Index

Fire Control	Chapter XI
Fire Dampers-Appendix "G" and	Chapter XI
Fire Extinguishing (Exhaust System)	1016
Fire Ext. Apparatus-Exhaust Systems	1009, 1010
Fire Ext. Equipment (Restaurant)	908 (I)

G

Gas, L-P, Chapter IV, Appendix "A"	403
Gas Meter	1403
Gas Piping	1400, 1401, 1404, 1405, 1406
Gas Regulations	Appendix "F"
Gas Shut-Off Valves	1411
Gas Rules-Natural-Principle No. 10	302
Gauges, Oil	1317
Grease Removal Devices	905
Grounding (Boilers) Principle No. 5	302
Grounding (Exhaust Systems)	1003

H

Hazardous Occupancies-Heating & Ventilating	700
Heating-Group H-1, H-2, H-3 Defined	105.3
Heating Panels	506
Heaters, Room	505
Heaters, Water	1201, 507
Heat Pumps	1207, 512
Heat Appliances, Low Heat	513
Heaters, Unit	514
Heat Appliances, Medium Heat	516
Heat Appliances, High Heat	519
Hoods-Laboratory Fumes	703
Hood or Canopy and Duct Systems	903
Hot Water System Rules-Principle No. 12	302
Hood Recommendations	Appendix "D"

I

Incinerators, Flue-fed	517
Incinerators, Commercial & Industrial	518
Incinerators, Residential	509
Incinerators, Regulations-Principle No. 24	302
Incinerator Rooms	518.4
Inspector, Duties	105.2
Installer-Defined	105.3
Inspections Required	105.5
Inspection Fees	105.7
Industrial Type Low Heat Appliances	513
Industrial Type Medium Heat Appliances	516
Industrial Oil Burners	520
Installation-Restaurant Equipment	913 (B)
Installation Residential Type Open Broilers	916
Installation Residential Type Clothes Dryers	917

Index

Installation Commercial Type Clothes Dryers	918
Inspection and Maintenance	Appendix "E"
Isolation Valves-Principle No. 23	302

L

License Information-Principle No. 2	302
Local Building Officials	105
Local Codes and Ordinances	108
L-P-Gas Installation & Rules	Appendix "A"
L-P-Gas, Reference	Chapter IV
L-P-Gas Rules	403

M

Machinery Rooms	1602
Machinery Room Ventilation	1603, 1604
Maintenance	Appendix "E"
Mechanics, Defined	105.3
Medium Heat Appliances	516
Mobile Home-Principle No. 15	302

N

National Electrical Code Excerpts	Appendix "B"
Negative Pressure	1503

O

Oil Burners, Oil Fired Units	520
Oil Burner Controls	1204
Oil Distribution	1320
Oil Piping—see Piping	
Oil Tanks—See Tank Storage	
Owner, Right to Work—Principle No. 3	302

P

Permits, required	105.4
Pipeless Furnace Registers	606
Piping-Oil	1312, 1313, 1314, 1315
Piping-Gas	Chapter XIV and 1400, 1401, 1404, 1405, 1406, 1408
Piping-Underground (gas)	1409
Pipe Installation (gas)	1410
Pipe Threads (gas)	1407
Plenum-Supply and return	605
Plenum-Supply and Return Equipment	512.2
Power & Control-Exhaust System	1002
Pressure Relief Device	1910
Principles	302
Pumps, Oil	1318
Purpose	101.2

Index
