North Carolina General Assembly Session Law 2023-108, Section 4 became law on 8/16/23:

PROHIBIT EXTERIOR SHEATHING INSPECTIONS

SECTION 4.(a) G.S. 143-138 is amended by adding a new subsection to read:

"(b23) Exterior Sheathing Inspections Prohibited. – The Code shall not require routine exterior sheathing inspections for structures or dwellings covered by the North Carolina Building Code or North Carolina Residential Code located in a region where the ultimate wind speed is less than 140 miles per hour."

SECTION 4.(b) G.S. 160D-1104(d) reads as rewritten:

"(d) Except as provided in G.S. 160D-1117 and G.S. 160D-1207, a local government may not adopt or enforce a local ordinance or resolution or any other policy that requires regular, routine inspections of buildings or structures constructed in compliance with the North Carolina Residential Code for One- and Two-Family Dwellings in addition to the specific inspections required by the North Carolina Building Code without first obtaining approval from the North Carolina Building Code Council. A local government may not adopt or enforce a local ordinance or resolution or any other policy that requires routine exterior sheathing inspections for structures or dwellings covered by the North Carolina Building Code or North Carolina Residential Code located in a region where the ultimate wind speed is less than 140 miles per hour. The North Carolina Building Code Council shall review all applications for additional inspections requested by a local government and shall, in a reasonable manner, approve or disapprove the additional inspections. This subsection does not limit the authority of the local government to require inspections upon unforeseen or unique circumstances that require immediate action. In performing the specific inspections required by the North Carolina Residential Building Code, the inspector shall conduct all inspections requested by the permit holder for each scheduled inspection. For each requested inspection, the inspector shall inform the permit holder of instances in which the work inspected is incomplete or otherwise fails to meet the requirements of the North Carolina Residential Code for One- and Two-Family Dwellings or the North Carolina Building Code. When a subsequent inspection is conducted to verify completion or correction of instances of Code noncompliance, any additional violations of the Code noted by the inspector on items already approved by the inspections department shall not delay the issuance of a temporary certificate of occupancy, and the inspections department shall not charge a fee for reinspection of those items."

SECTION 4.(c) This section is effective when it becomes law and applies permit applications submitted on or after that date.

2018 NC Administrative Code
204 City and County Government. (210309 Item B-1)

204.1 General. The powers, duties and responsibilities of the code enforcement official are generally described in ~~the following General Statutes: 1. GS153A 352 for counties, and 2. GS160A 412 for cities~~ Statute 160D, Article 11.

204.2.2 Jurisdiction. A municipal inspection department shall have jurisdiction over all areas within the city limits, all extraterritorial areas that the city has jurisdiction pursuant to state laws, and over any areas in which the municipal limits have contracted with another unit of government to perform code enforcement. A county inspection department shall have jurisdiction over all unincorporated areas outside any municipal jurisdiction located within the county, all areas in which a municipality has requested the county to enforce the code, and within the jurisdiction of another unit of government in which the county has contracted to perform code enforcement. A joint inspection department created by two or more units of government shall have the authority to enforce the code in all areas of legal jurisdiction of all units of government supporting the joint department.

~~(General Statutes 153A 352 and 153A 353 for counties, and 160A 411 and 160A 413 for cities~~ 160D-1104 and 160D-1107)

204.2.3 Duties. Inspection departments shall:

1. Receive applications and supporting data for permits;
2. Issue or deny permits;
3. Make all necessary inspections to ensure code compliance;
4. Identify technical provisions found to be inconsistent with the inspection;
5. Issue or deny certificates of compliance and certificates of occupancy;
6. Issue stop work orders or orders to correct violations;
7. Maintain adequate records of permits issued or denied, inspections made, corrections ordered and certifications issued; and
8. Take other actions that may be required to adequately enforce the code.

~~(General Statutes 153A 352 and 160A 412~~ Statute 160D-1104)

204.2.4 Code enforcement official's qualifications. No state or local government employee shall enforce any provision of the North Carolina State Building Codes who does not possess an appropriate valid certificate issued by the North Carolina Code Official's Qualification Board as specified in General Statutes ~~143-151.13, 153A 351.1 and 160A 411.1~~ and 160D-1103.

204.2.5 Conflict of interest. Information about conflict of interest for code enforcement officials can be found in General Statutes ~~153A 355 for counties and 160A 415 for cities~~ Statute 160D-1108.

204.2.6 Right of entry. The code enforcement official shall have the right to enter buildings or premises as described in General Statutes ~~153A 360 and 153A 364 for counties, and 160A 420 and 160A 421 for cities~~ 160D-1113 and 160D-1117.

204.2.7 Stop work orders. General Statute ~~153A 361~~ 160D-404 authorizes a ~~county~~ code enforcement official to issue stop work orders. ~~General Statute 160A 421 authorizes a city code enforcement official to issue stop work orders. These statutes describe~~ The statute describes when a stop work order can be issued, and how the stop work order is to be issued, ~~and how the stop work order may be appealed.~~ See Section 204.10 for appeal of stop work orders.

204.2.8 Unsafe building or systems. A ~~county~~ code enforcement official's authority to condemn an unsafe building is found in General Statute ~~153A 366~~ 160D-1119. ~~A city code enforcement official's authority to condemn an unsafe building is found in General Statute 160A 426.~~

204.3.1 General. No person may commence or proceed with:

1. The construction, reconstruction, alteration, repair, movement to another site, removal or demolition of any building;
2. The installation, extension or general repair of any plumbing system;

March 14, 2023

3. The installation, extension, alteration or general repair of any heating or cooling equipment system; or
4. The installation, extension, alteration or general repair of any electrical wiring, devices, appliances or equipment without first securing from the Inspection Department with jurisdiction over the site of the work each permit required by the North Carolina State Building Codes and other State or local law or local ordinance or regulation applicable to the work.

(General Statute ~~153A-357~~ and ~~160A-417~~ 160D-1110)

204.3.2 Validity. In accordance with General Statutes ~~153A-358 for counties and 160A-418 for cities~~ Statute 160D-1111, a permit expires 6 months, or any lesser time fixed by local ordinances, after the date of issuance if the work authorized by the permit has not been commenced. If, after commencement, the work is discontinued for a period of 12 months, the permit immediately expires. No work authorized by a permit that has expired may be performed until a new permit has been issued.

204.3.6 Contractor license required. When the General Statutes require that general construction, plumbing, mechanical, electrical, fire protection or gas work be performed by an appropriately licensed individual, no permit for such type work shall be issued to an unlicensed person or firm. Additional requirements may be found in General Statutes 87-14, 87-21(e), 87-43.1, 87-58, 153A-134, ~~153A-357~~, 160A-194 and ~~160A-417~~ 160D-1110.

204.4.1 Action on permits. In accordance with General Statute ~~153A-357 for counties and General Statute 160A-417 for cities~~ 160D-1110, the Inspection Department shall examine each application for a permit to determine if it is in compliance with the requirements of the technical codes and other pertinent laws and ordinances. If the inspection department is satisfied that the work described in the application conforms to the requirements of the technical codes and other pertinent laws and ordinances, it shall issue a permit to the applicant.

If the application does not conform to the requirements of the technical codes and other pertinent laws and ordinances, the application shall be returned to the applicant with the reasons for refusal stated.

(General Statutes ~~153A-352, 160A-412 and 160A-417~~ 160D-1104 and 160D-1110)

204.5.2 Permit intent. A permit issued shall be construed as permission to proceed with the work and not as authority to violate, cancel, alter or set aside any of the provisions of the technical codes. Issuance of a permit shall not prevent the inspection department from requiring correction of errors in plans, construction or violations of this code.

(General Statutes ~~153A-357 and 160A-417~~ Statute 160D-1110)

204.5.3.2 Violation of code provisions. The code enforcement official may revoke a permit upon determination that the work for which the permit was issued is in violation of, or not in conformity with, the provisions of this or the technical codes.

(General Statute ~~153A-362, 160A-422~~ 160D-1115)

204.6.1 Fees. A permit shall not be issued until the fees prescribed by the local governing authority have been paid. No amendment to a permit shall be released until the additional fee, if any, has been paid.

(General Statutes ~~153A-354 and 160A-414~~ Statute 160D-402)

204.6.2 Work commencing before permit issuance. If any person commences any work on a building or service systems before obtaining the necessary permit, he or she shall be subject to a penalty as established by the local governing body.

(General Statutes ~~153A-354 and 160A-414~~ Statute 160D-402)

204.7.1 Periodic inspections for hazardous or unlawful conditions. The inspection department shall make periodic inspections as specified in General Statutes ~~153A-364 for counties and 160A-424 for cities~~ Statute 160D-1117.

204.8.1 Building occupancy. A new building shall not be occupied, or a change made in the occupancy, nature or use of a building or part of a building until after the inspection department has issued a certificate of compliance. The certificate of compliance shall not be issued until all required service systems have

been inspected for compliance with the technical codes and other applicable laws and ordinances and released by the inspection department.

(General Statutes ~~153A-363 and 160A-423~~ Statute 160D-1116)

204.8.2 Certificate of compliance. Upon satisfactory completion of a building, plumbing, mechanical, electrical, fire protection or gas system, or portion thereof, a certificate of compliance shall be issued. The certificate of compliance represents that a structure or system is complete and for certain types of permits is permission granted for connection to a utility system. The certificate of compliance shall not be construed to grant authority to occupy a building.

(General Statutes ~~153A-363 and 160A-423~~ Statute 160D-1116)

204.8.3 Temporary/partial occupancy. A temporary/partial certificate of compliance may be issued permitting occupancy for a stated period for specific portions of a building or service system that the inspector finds safe for occupancy prior to final completion of the entire building or system.

(General Statutes ~~153A-363 and 160A-423~~ Statute 160D-1116)

204.9.2 Temporary connection. The inspection department may authorize the temporary connection of the building or system to the utility source of energy, fuel or power for the purpose of testing building service systems.

(General Statutes ~~153A-363 and 160A-423~~ Statute 160D-1116)

204.10 Appeal of stop work orders. Whenever a stop order has been issued by an inspection department involving alleged violations of the State Building Codes, the owner or builder may appeal in writing to the Commissioner of Insurance, or his or her designee, within 5 days after the date the order is issued, with a copy of the appeal to the inspection department. No further work may take place in violation of a stop order. The Commissioner, or his or her designee, shall promptly conduct an investigation. The inspection department and the owner or builder shall be permitted to submit relevant evidence for the investigation. The Commissioner of Insurance, or his or her designee, shall provide a written statement of the decision setting forth the facts found, the decision reached and the reasons for the decision. In the event of dissatisfaction with the decision, the person affected shall have the option of appealing as set forth in Section 203.1.2.

(General Statutes ~~153A-361 and 160A-421~~ Statute 160D-1114)

204.14 Code enforcement official not fulfilling responsibilities. When the code enforcement official does not fulfill his responsibilities as specified in Section 204.13, the Commissioner of Insurance or his designee may institute any appropriate actions or proceedings available.

(General Statutes 14-230, 14-231, 14-232, ~~153A-356 and 160A-41~~ 160D-1109)

CHAPTER 3
REPRINT OF THE GENERAL STATUTES PERTAINING TO THE ENFORCEMENT OF THE
NORTH CAROLINA STATE BUILDING CODE

The North Carolina State Building Codes do not include all additional requirements for buildings and structures that may be imposed by other State agencies, occupational licensing boards and commissions. It shall be the responsibility of a permit holder, design professional, contractor or occupational license holder to determine whether any additional requirements exist.

The current language of the General Statutes may be viewed at www.ncleg.gov.
