Good morning,

I recently sent you an email regarding the City of Lexington being added to the list of municipalities allowed to do all plan reviews, other than those required by law to be reviewed by OSFM/DOI. I was instructed to send a letter with employees on staff with Level III credentials. Below, I have listed staff members with Level III certification, along with their ID numbers.

Michael Cranford ID # 14530  
Level III Building, Plumbing, Electrical, Mechanical, Fire Prevention

Keith Scoggins ID # 21327  
Level III Electrical, Mechanical  
Level II Building, Plumbing

Kenneth Hepler ID # 11798  
Level III Plumbing, Mechanical  
Level I Building, Electrical

Laura Ryggs ID # 19459  
Level III Fire Prevention

Joshua Owens ID # 17700  
Level III Fire Prevention

If you need any other information, please feel free to contact me.

Thank you,

Michael Cranford  
Chief Building Inspector  
City of Lexington
