Swimming Pool Barrier Permits

Code: 2012 NC Administrative Code and Policies

Date: August 15, 2012

Section: 204.3

Code: 2012 NC Residential Code

Section: AG105

Question:

Can the building permit for swimming pool barriers for new swimming pools be issued separately from the swimming pool?

Answer:

No. Section AG105 – Barrier Requirements is part of the code requirements listed in Appendix G for swimming pools, spas and hot tubs. It is, therefore, part of the requirements for these facilities and will be part of the same permit.
