

# NORTH CAROLINA CODE OFFICIALS QUALIFICATION BOARD DRAFT MINUTES - ATTACHMENT A

**JANUARY 24, 2022 - 1:00 PM**

The quarterly meeting of the NC Code Officials Qualification Board (“Board”) was held by teleconference at 1:00 PM on January 24, 2023.

## **ITEM 1 - Introduction, Roll Call and Conflict of Interest Statement**

Williams conducted roll call as requested by Chairman Thunberg. Thunberg asked each member of the Board to state whether they had actual or potential conflicts of interest for any items on the agenda.

The State Ethics Commission has cited the potential for a conflict of interest for members of the Board who are serving in the following appointments.

- Code officials, because they serve on the Board that certifies them.
- Elected officials, because local government entities employ code officials.
- Licensed contractors, because their companies regularly work with code officials.
- UNC School of Government, because the school provides educational services for code officials who are subject to the jurisdiction of the Board.

Board members should exercise appropriate caution in the performance of their public duties should issues involving their certifications or that of any of their employees come before the Board. This would include recusing themselves to the extent that their interests would influence or could reasonably appear to influence their actions.

The following members of the Board participated in the meeting in-person or by teleconference and provided a quorum:

Amy Wall, SOG, has been in contact with NCCOQB to offer Law and Administration. Sophia Hernandez would be teaching the course through SOG. Wall requested an approval of the Board to subsidize the course offering of \$12,000. This would allow 60 students to attend the course at no cost. Another option is to subsidize the course offering of \$6000. This would allow SOG to offer the course at a more reasonable fee in comparison to NCCCS Standard course offerings.
