

NCCOQB Joint
Education & Research and Qualification & Evaluation
Committee Meeting
Agenda
March 10, 2017

1. Call to Order
2. Roll Call
3. COQB Qualification & Education Process Changes

PART A

- i. Discuss proposed change #5- *Develop new abridged exam for Comity- Law & Admin, NC Code Amendments, Energy, and Accessibility*. Develop a standalone Law and Admin Course and Exam to include NC Statute, Rule and Code changes to be available in an online format for:
 - Out-of-State applicants seeking Comity
 - Existing CEOs interested in CE credit hours (i.e. 15 hour course – 12 hours)
 - Barrett Graham, attorney – at – law, Standard Course Instructor
- ii. Research ICC standards such as exam blueprints for various tests

PART B

- i. Discuss Proposed change #14- *Develop Standard course supplemental educational materials (worksheets, online courses, instructional videos)*.
 - Develop 1 or 2 hour educational modules in Moodle utilizing level 3's with minimum of 10-15 years of field experience (this criteria was used for the Electrical standard course updates)
 - Module topics are specified by trade and level but are available for CE credit to all
 - Trade associations spearhead volunteer effort, contract, etc.
 - ii. If partnering with NC Community Colleges, Virtual Learning Centers (VLC), determine who will manage Learning Objects Repository, etc.
4. Discuss Proposed change #9- *No cost state exam using NCDOL computer based exams via Moodle*
 - a. Present data on number of NC state exams administered by vendors by date and test center locations. Include ICC Pearson-Vue (2009-2014) and PSI (2014-2019).
 - b. Discuss potential dedicated facility expenses (i.e. number of test centers, lease costs, size, features such as spatial requirements for individual examinee [reference materials]).

5. Adjournment
