In 2014 the North Carolina General Assembly passed NCGS 58-84-25(c) which states in part *"The Commissioner shall distribute the allocations by electronic funds transfer, unless a fire district's account cannot accept electronic funds transfers"*. In order to transfer these funds into your **Firefighters Relief Fund account**, we need to have your bank routing and account numbers. These account numbers must be for the **Relief Fund account only**. These funds must not be intermingled with any other funds.
